Playing by the rules makes things easier and fairer for everyone and ensures our bicycles are available for the next customer. We have set out the rules in our Terms and Conditions.

How to securely lock your hire bike

Your hire bicycle is fitted with two locks. It is important that you use these locks properly.

Rear wheel lock

Slightly twist the key whilst it is inside the lock. This will allow you to push down the lock lever on the other side of the lock. Once you've pushed the lever all the way to the bottom you can release the key which will return to its original position and the lock lever will stay in a locked position. You then can pull the key out of the lock. The key should come out with easily. If it doesn't it's because you haven't locked the lock. In that case twist the key and push the lock lever down again.

D-lock

Once you've locked the rear wheel you can remove the D-lock by pressing the grey button on the side of the D-lock bracket. Put the second key into the key hole in the orange part of the lock and unlock it. Use the D-lock to securely lock the main frame of the bicycle to an unmovable object, preferably a bicycle parking stand. You can use other metal objects on the street if necessary, such as a traffic signpost, but it must be impossible to lift the bicycle up and off the post. Never lock your bicycle to soft or easily cut materials such as wood or plastic.

3. The Owner shall be entitled to charge the Hirer for all damage caused to the Bicycle(s) during the period of hire. In the event of a breakdown other than as a result of the Hirer's misuse of the Bicycle, the Owner will use its best endeavours to repair it or procure a repair. In the case of a breakdown occurring at not walkable distance from hire location, please call Cycle Waggle Ltd on 07523 092285 for replacement or recovery. The Hirer shall indemnify the Owner in respect of all costs, claims, expenses and demands which it may suffer or incur and which arise directly or indirectly out of the use of the Bicycle(s) during the period of hire. The Owner reserves right to use the Hirer's deposit in part or full settlement of such a claim. In the event of the Bicycle(s) being lost or stolen the Owner reserves the right to call upon the Hirer to indemnify the Owner the replacement value of the Bicycle(s). 5. The Hirer will ensure that the Bicycle(s) is adequately secured to an immovable object when not in use and **WILL IMMEDIATELY INFORM THE OWNER IN THE EVENT OF ANY LOSS** or breakdown of the Bicycle, other than those immediately repairable by the Hirer. The latter should be notified to the Owner upon return of the Bicycle(s).
6. The Hirer shall be solely responsible for and shall keep the Owner fully indemnified in respect of all fines, impositions or other penalties occasioned by the use of the Bicycle(s) during the period of hire in respect of any violations of Acts of Parliament, Orders, Regulations or Bye Laws for the time being in force. The Hirer will pay to the Owner on demand all charges due under the agreement. The rental charge, plus any additional charges for additional accessories and attachments, is payable in advance or on collection, together with a deposit as agreed.
7. In the event of a cancelled forward booking, 20% of the rental charge thereof will be payable should the Owner be unable to re-hire the Bicycle(s) in question for the same period. This charge may be waived at the Owner's discretion. Any conditions or warranties not expressed which might be implied on the part of the Owner, except Statutory Warranties, are excluded.
8. If the Hirer shall commit any breach of the terms of this agreement the Owner shall be entitled, but without prejudice, to any other rights or remedies which it may have to terminate the hire of the Bicycle(s), and recover possession thereof without notice, and to make reasonable charge for such a repossession.
No rights of the Owner under the agreement will be waived except in writing by a duly authorized member of staff.
